A MONTHLY EVENT
FOR FAMILIES OF ALL KINDS
Every Second Sunday of the month, 4-5pm

CRAFTS – GAMES – MUSIC – FOOD

Families at Four is a monthly event with pre-school, infant and primary aged children in mind. It's a fast-paced mixture of craft, activities, music and worship – plus the chance to end the afternoon with a simple tea-time meal together for those who wish to stay, and to save parents having to sort tea when they get home! There's no need to register or sign up as parents are with their children throughout the activities, and it won't cost you anything – although there's always the chance to make a contribution towards the cost of the food.

So put the dates in your diary, tell your friends and bring them along too - we'd love to see you all!
